

## Kids Activity Sheet

# What will I be when I grow up chatterbox

Use this chatter box to have a discussion about what kinds of things could be done to stay safe in each of the different workplaces.

The activity sheet is a large diamond shape divided into eight colored sections, each representing a different profession. Each section contains an icon for the profession and a speech bubble icon. The professions and their corresponding icons are:

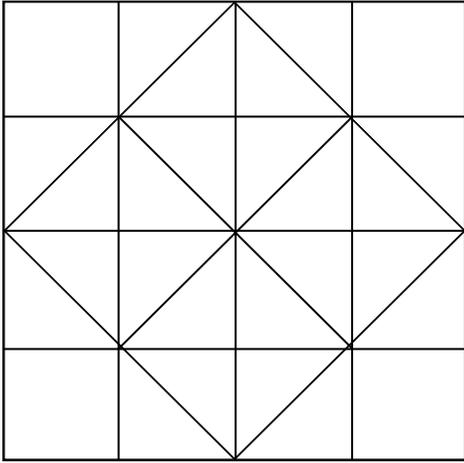

- Banker** (Green section): Banker icon, speech bubble icon.
- Food delivery rider** (Light Green section): Food delivery rider icon, speech bubble icon.
- Farmer** (Yellow section): Farmer icon, speech bubble icon.
- Chef** (Orange section): Chef icon, speech bubble icon.
- Teacher** (Light Blue section): Teacher icon, speech bubble icon.
- Tradie** (Pink section): Tradie icon, speech bubble icon.
- Nurse** (Light Blue section): Nurse icon, speech bubble icon.
- Shop assistant** (Red section): Shop assistant icon, speech bubble icon.

There are also four larger colored areas at the corners of the diamond, each containing a large white icon:

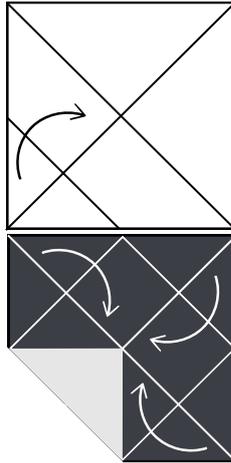

- Top Left (Green):** A house icon with a lightning bolt, representing safety at home.
- Top Right (Orange):** A gear icon, representing safety in industry or machinery.
- Bottom Left (Blue):** A road sign icon, representing safety on roads.
- Bottom Right (Red):** A brain icon, representing safety in education or mental health.

**Instructions:** Follow the steps below to create your own chatterbox

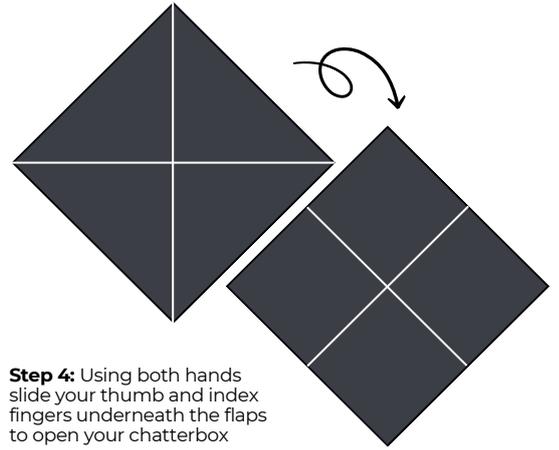

**Step 1:** Cut along the dotted line

**Step 2:** Fold each corner point into the centre. You should have four flaps

**Step 3:** Flip the paper over and place it flap side down

**Step 4:** Using both hands slide your thumb and index fingers underneath the flaps to open your chatterbox
